Order for Compliance	Regulation	Date to be corrected	Date corrected
31(3) An operator shall maintain the outdoor play area of a licensed facility to ensure the safety of the children.	31(3)	Mar 11, 2020	
Comments: Nail heads poking through within both wooden play houses, to be removed or fixed. Sandbox is also broken and all 4 wooden stakes are wobbly, with one piece completely broken off. Wooden stakes to be removed or tightened. Large plastic toy cabinet within play area has broken doors-to be removed/replaced.			
45(2) If a child is ill while receiving services at a licensed facility, an operator shall (a) provide supervised care to the child in an area separate from the other children.	45(2)(a)	Mar 09, 2020	
Comments: One child who had 4 bouts of diarrhea was not separated from other children while awaiting parental pick up.			

<p>General Comments</p> <p>Completed renewal inspection today. Children were engaged in activities and play throughout the facility. Educators were observed to be engaging with children at their level. The children happily explored their environments that were rich in materials and props. Evidence of purposeful planning and play observed through the facility through various forms of documentation. Discussed purchasing a lock box for the refrigerator to store medications that require refrigeration.</p>
