45(2) If a child is ill while receiving services at a licensed facility, an operator shall (a) provide supervised care to the child in an area separate from the other children. Comments: Deficiency is now compliant	45(2)(a)	Mar 09, 2020	Jul 13, 2020

General Comments
Completed follow up to renewal inspection today. This had been delayed due to COVID-19. Children were engaged in a variety of activities today. Educators were engaged with children within all of the rooms and invitations were displayed to promote the children's interests. Observed hand washing by multiple groups upon returning from outside, following washroom use and prior to eating lunch. One order for compliance remains.
