General Comments

the day.

Discussed cleaning/laundrying of soft toys and dress up clothes with educators. Please review this section of the Cleaning and Disinfection of the COVID-19 Guidance Document.

Discussed drop off and pick up with supervisor. Currently parents are bringing their children into the building to wash hands and take off coats. Parents should be dropping children off to staff in the entryway/hall; this will minimize contacts within the child care facility. Supervisor stated that they would make changes to pick up and drop off immediately.
