General Comments
<p>Licensing staff arrived at the licensed facility to conduct a monitoring inspection on the morning April 11th, 2023.</p> <p>The children were getting ready to go out for a morning walk when licensing staff arrived at the licensed facility. Licensing staff advised the program supervisor to have two groups go out together for their walks. One educator should be situated at the front of the group while the second educator is situated at the back of the group. While walking in the community, the educators should be scanning the environment for safety hazards to ensure the safety of the children.</p> <p>When licensing staff asked if regular safety checks are being conducted daily before the children engage in the outdoor play environment, the program supervisor relayed that they do a safety check daily before the children go outdoors to play.</p> <p>While conducting the inspection visit, licensing staff observed the children and educators singing "5 Little Monkeys."</p> <p>Child-to-staff ratio was calculated in each classroom and each educator knew how many children were present in their classroom on the day of the inspection visit.</p>
