<p>General Comments</p> <p>The center's set up and program delivery is very child-centered and appropriate to encourage learning, development, and fun! There are a variety of materials and activities for the children to do and their learning is evident throughout the center in an abundance of documentation. The use of curriculum is shown in the activities the children do.</p> <p>Please update the staff signed statements to also indicate that staff have read and understand the Early Childhood Services Act and Licensing Regulations.</p> <p>Everything was remedied during my visit and I recommend for licensing.</p>
