General Comments

On the day of my visit the 4 year olds were having circle time and then they went outside to play. The 3 year olds were already outside and they were playing with tires and bubbles. they use the tires in very many imaginative ways. The classrooms are well set up for the children's use and are bright , clean and well organized. The 3 year olds can nap when they need to and cots are provided.

All Covid protocols are being followed.
