General Comments

Visit to facility for annual inspection during COVID-19 period. Ratio was respected during visit.

Reviewed COVID-19 guidelines and procedures with administrator.

Facility uses the park at the school, recommending that the rock me moved/racked in order to meet the protective surfacing requirements for commercial structures under the act and regulations. Recommending operator check with insurance company to ensure the facility is covered for commercial play structure use.

Recommending child profiles be reviewed to ensure that all children have two emergency contacts on file.

Observations:

Children played group activities such as hungry hippo, battle ship, cars, lego and also did drawings at the table. Children are presently interested in Christmas and animals.

Once fire department and public health's inspections are received the facility will be recommended for licensing for another year.
