General Comments

-Visit at the center for the annual renewal inspection
-Ratio was respected during the visit
-Two play structures have been identified as not having enough protective surfacing, director is aware of it and confirms that they are not being used.

Observations: Multiple station were set up, large cubes, drawing, legos, small cars, dramatic play and playing twister. When leaving children were getting ready to eat snack and were planning on going outside.

This facility meets requirements under the Act and regulations, the license will be recommended once the inspection from the fire Marshall and public health will be done.
