General Comments
<ul style="list-style-type: none"> - Visit done at establishment for a monitoring inspection. - Ratio was respected during my visit. - Children were observed during free play, snack and outdoor play. - Positive child guidance and respectful communication between the educator and children were observed. The educator encourages the children to make choices and respects the child's choice. The educator takes interest in what the child is saying. - I see learning documentation throughout the centre. - The outdoor playground has a good variety of toys and games that are accessible to the children. - The indoor play area has a large quantity of toys and games that are at the child's level and accessible at all times.
