General Comments

- Visit done at the establishment in the morning for a monitoring inspection.
- Ratio was respected during the visit.
- During the visit the facility used positive child guidance.
- Individual space is provided for diapers, creams and wipes for each child who is not toilet trained. The changing area is located one metre from a sink, separated from the food preparation area. Diaper changing procedures are posted in a visible place in the diaper changing area. Children are always supervised during diaper changing.
- The facility has a designated rest area. All nap equipment is washable and non-absorbent. Nap mats are 5 cm in thickness and are stored so there is no contact with another nap mat or are disinfected on both sides after each use.
- Children are always supervised when using the washroom. One potty chair or training seat is provided. Steps or platforms are provided to allow children to reach regular-sized toilets or sinks.
- First aid kit and telephone are accessible on the premises.
- Different types of documentation are being used at the centre, learning stories, ongoing projects, and portfolios. The documentation demonstrates the children's interest and progress through time.
- Observations: Upon my arrival the children were having a dance show. The educator was discussing and engaged with the children during free play.
- Discussions with the educator concerning the diaper changing and nap area.
