General Comments
<ul style="list-style-type: none"> - Visit completed at the facility in the afternoon for a monitoring inspection. - Ratio was respected during the visit. - Positive child guidance was witnessed during the visit. - The parent board at the entrance of the facility has all required documents posted. - Indoor play area materials and equipment are varied and in sufficient quantity for all children present. The materials are easily accessible and maintained clean and in good repair. - Administrative records maintained on-site. Monthly emergency evacuation and fire drills are completed. - The daily activities are purposely planned and documented and responds to the needs and interest of each child. Different types of documentation are being used at the centre. Learning stories, ongoing projects, and white boards. The documentation demonstrates the children's interest and progress through time. - A daily incident log is maintained. Parent is advised of incidents and signs the daily log. - Each child has its own individual space to put their belongings. - Observations: Upon my arrival the children were napping. Imaginary play, handwashing and snack. The children were having a dance party and were singing songs with the educator. - Discussion on fire drills, documentation, daily incident logs and the imaginary zones.
