General Comments
A Monitoring Inspection was completed this afternoon. Children were observed during outside play. Children are presently interested in bugs. Children were very excited to show QAM their bug collection - both in person, and via pictures. One child was observed napping, on a nap cot, in a shaded area. Educators were observed helping children with their sunscreen and children were observed drinking from their water bottles. New fence was observed. The indoor environment was also observed. The walls were freshly painted. Several learning invitations were observed, as well as several well-defined learning activities / centres.
