They then transitioned to snack, with handwashing occurring beforehand. Following snack, they began preparing to go outdoors, with educators providing assistance as needed.</p> <p>Outdoors: The children were observed engaging in dramatic play using the outdoor kitchen, playing with trucks, using garden tools, swinging on the swings with educators giving the children a push, and pulling wagons.</p> <p>The educators indicated that the children are currently interested in story time and gross motor activities, including climbing, jumping, and dancing.</p> <p>Educators demonstrated positive interactions by using encouraging language and gentle reminders. They asked open-ended questions, listened actively, and extended children's ideas through conversations.</p> <p>A clearly visible and prominent area was designated for posting the facility license, current monitoring reports, and any orders for compliance. Additional documents observed included incident logs, daily attendance records, one staff file and monthly emergency evacuation and fire drills.</p>
