Order for Compliance	Regulation	Date to be corrected	Date corrected
25 An operator of a licensed facility shall post in a clearly visible and prominent place on the premises: (a) the daily routine.	25(a)	Sep 19, 2022	
Comments: The full-day routine for the school aged children is not posted. Administrator must ensure that this information is posted in a visible and prominent place in the facility.			
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	Sep 14, 2022	Sep 14, 2022
Comments: Inspector found Windex and Lysol spray unlocked in the staff washroom upstairs. Toxic products must be placed under lock and key. Administrator placed these under lock and key immediately. Deficiency is now compliant			
45(1) An operator of a licensed facility shall require a parent or guardian of a child receiving services at the licensed facility to (b) indicate whether the absence is due to illness or otherwise.	45(1)(b)	Sep 14, 2022	
Comments: Inspector observed that the absence codes are not documented on the daily attendance records to indicate the reason as to why the child is absent. Administrator must ensure that the absence codes are indicated on the daily attendance records in order to document whether the absence is due to illness or another reason.			

<p>General Comments</p> <p>During the inspection, Inspector observed children playing with balls, listening to music as well as looking through photos of activities they have done previously. Inspector observed positive interactions between the educators and the children, such as the educators getting down on the children's level to engage in their activities with them as well as comforting children when they were upset.</p> <p>Ratio was respected during the time of the inspection.</p>
