24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (b) child records that include: (i) the child's name, address, birth date and Medicare number,	24(1)(b)(i)	Jun 19, 2026	
Comments: The inspector reviewed 12 children's files and observed that 4 files are missing the Medicare number and expiration date. All children's files must include the child's name, address, date of birth and Medicare number.			
24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (b) child records that include: (iv) the name, address and telephone number of at least two individuals authorized by the child's parent or guardian to pick up the child and to be contacted in case of an emergency if the parent or guardian cannot be reached,	24(1)(b)(iv)	Jun 19, 2026	
Comments: The inspector observes in 2 out of 12 children's files both emergency contacts are located more than 1 hour away from the facility. All children's files must include the name, address and telephone number of at least two individuals authorized by the child's parent or guardian to pick up the child and to be contacted in case of an emergency if the parent or guardian cannot be reached.			
25 An operator of a licensed facility shall post in a clearly visible and prominent place on the premises: (b) the weekly menus.	25(b)	Jun 16, 2026	Jun 11, 2026
Comments: The inspector observed that the weekly menu is not posted. The menu must be posted in a visible and prominent place in the facility. The inspector informed the educator in charge, who then printed and posted the weekly menu on the designated posting wall. Deficiency is now compliant.			
25 An operator of a licensed facility shall post in a clearly visible and prominent place on the premises: (d) the name of the administrator.	25(d)	Jun 16, 2026	Jun 11, 2026
Comments: The inspector observed that the name of the administrator is not posted on the facility. The administrator's name must be posted in a visible and prominent place in the facility. The inspector informed the educator in charge who printed the administrator information and posted it to the posting wall. Deficiency is now compliant.			
36(4) The rest area of a full-time early learning and childcare centre and an early learning and childcare home shall allow for a space of at least 46 cm between each crib, portable playpen, cot or nap mat.	36(4)	Jun 11, 2026	Jun 11, 2026

Order for Compliance	Regulation	Date to be corrected	Date corrected
Comments: The inspector observed in one classroom that 2 mattresses are touching. All rest equipment must be spaced at least 46 cm apart. The inspector informed the educator, who then repositioned the mattresses to ensure a 46 cm distance between them. Deficiency is now compliant.			

General Comments
<p>The inspector is on site to conduct the renewal inspection.</p> <p>Upon arrival, the children were outdoors eating their morning snack.</p> <p>The inspector observed morning outdoor free play, during which children engaged in book reading and sang songs with the educator.</p> <p>Children are also observed playing at the water table, where they clean cars and balls.</p> <p>Indoor free play is observed in all classrooms. In one classroom, children participated in playdough activities, while in another, children are engaged in puzzle making and coloring.</p> <p>The inspector also observed the lunch period, rest period, and the arrival of a school-age child.</p> <p>Positive child guidance practices are observed such as educators speaking softly to the children and singing songs to them during diaper changes.</p> <p>A discussion is held with the educators to ensure that all children's personal belongings are clearly labelled with each child's name.</p> <p>Another discussion took place with the educator in charge regarding ensuring that all employees' files must be completed with no information or documents missing from them.</p> <p>The ratio is respected throughout the inspection.</p>
