33(2) Stationary equipment in the outdoor play area shall be surrounded by a protective surfacing and installed according to the manufacturer's instructions.	33(2)	Jul 16, 2021	

Order for Compliance	Regulation	Date to be corrected	Date corrected
Comments: While licensing staff was inspecting the outdoor play environment, it was noted that the protective surfacing located under and around the piece of stationary equipment is packed down. Please till the mulch and then measure it and if it does not measure 30 cm please replenish the mulch to measure 30 cm.			
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	Jul 14, 2021	Jul 14, 2021
Comments: Deficiency is now compliant			
43 An operator of a licensed facility shall not permit hot beverages in areas that are occupied by the children receiving services at the licensed facility, including the outdoor play area.	43	Jul 14, 2021	Jul 14, 2021
Comments: Deficiency is now compliant			
48(2) An operator of a licensed facility may supply food to a child receiving services at the licensed facility that a parent or guardian of the child brings from the child's home if the food is labelled with the child's name and refrigerated, as required.	48(2)	Jul 16, 2021	Jul 14, 2021
Comments: Deficiency is now compliant			
48(6) An operator of a licensed facility shall post information relating to any allergies of the children in the food preparation area.	48(6)	Jul 14, 2021	
Comments: While inspection the "fire file", licensing staff noted that the list of allergies for the centre was in this file. Please ensure the list of allergies in the centre is posted on the communication board for parents and for new educators to see.			

General Comments
<p>The children were eating snack when licensing staff arrived at the facility to conduct the licensing renewal inspection. After snack the children washed up and then went outside for outdoor play and stayed outside until it was time to come in and get washed up for lunch.</p> <p>The educators were very attentive and engaged with the children while licensing staff was onsite. The children were happy and very inquisitive. The children asked educators lots of questions about things they discovered on the playground. A child found a couple of feathers and licensing staff heard the child ask an educator where they came from.</p> <p>Positive child guidance was observed the entire time licensing staff was onsite conducting the license renewal inspection.</p> <p>Please ensure the cleaning supplies are stored and secured behind a lock and key to ensure the safety of the children.</p> <p>Please ensure the wooden structures and decking is free and clear of any hazards.</p> <p>The mulch that is surrounding and under the stationary equipment gets packed down very easily. Please ensure the mulch is tilled or raked on a regular basis and ensure it measures to be at least 30 cm to ensure the safety of the children.</p> <p>Hot beverages are not permitted in any play space including the outdoor play space. Please ensure there are no hot beverages located in any play space in the facility.</p>
