Hand washing was observed upon entering facility, before eating and after eating, as well as when returning from outdoors.</p> <p>Educators are using reflection journals to pre-plan activities to meet the developmental needs of the children. Learning stories are also being used to document children's learning.</p> <p>Filing system for both the administrator and the overall facility operation is meticulous.</p> <p>There has been a nature component added to the outdoor play space. There is a variety of activities and materials available to the children.</p> <p>Please provide a more specific cleaning checklist for outdoor play space. Also, there is water settling on the tarps that are covering the sand boxes. Educators advised me that they drain the water of the tarps prior to bringing children into the outdoor play space.</p>
