General Comments
<p>Holly has a very active program. They spent the morning outside enjoying the beautiful weather. The children are interested in the birds and insects and reading books related to these subjects. Holly has laminated some of the bird pictures that the children enjoy so they can handle them and uses them for reference.</p> <p>The Library has a services where they will collect books on specified subjects for specified age groups and have them ready to pick up at the childcare's convenience. Holly uses this service regularly and it is a great help in developing literacy.</p> <p>Holly has a lovely program and there were no issues.</p>
