**General Comments**

On the day of my visit the children were finishing snack and watching Paw Patrol for a few minutes. Then the children went downstairs to their play room and played with trucks and blocks. The older boy was playing with a helicopter meant for older children and he kept it separate from the babies, which is a nice example of how to child proof a mixed age group.

Holly is using webbing to plan the children's interests on a monthly basis and she is very organized. All her fire drills, smoke detectors, first aid kit check lists, cleaning lists, toddler infant forms, attendance sheets, incident reports etc. are all maintained properly.

The children are very calm and content and Holly has a very pleasant and happy Early Learning and Childcare Home.
