<b>General Comments</b>
<p>Children observed to be very happy in their environment. Educators very welcoming.</p> <p>Enhancements to the environment needed. Learning centres appeared very disorganized and not inviting (As mentioned, the science centre , art centre and book corner downstairs.) Environments downstairs and upstairs should be set up with invitations before children arrive inviting them to engage with a variety of materials based on their current interests. Recommendation to have photos/ words on buckets to support children in knowing where materials go at clean up time. Ensure pencil crayons and crayons are sharpened and ready for use.</p> <p>Discussed with educator upstairs need to add dates to planning sheets.</p>
