General Comments
<p>Visit today to complete the renewal inspection.</p> <p>There is a wonderful display of open-ended Halloween drawings made by the children. Posted webbings of ideas based on the children's interest were evident in the room.</p> <p>Educators were observed to engage with the children in a kind and respectful manner. The children circulated the interest centers within the two groups. Some of the children were participating in a cooperative game of Connect 4. The educator was documenting the status of the game and encouraging others to participate.</p> <p>Outdoor play was observed in addition to handwashing upon arrival, when coming in from the outdoor play area, and before snack.</p> <p>Recommend adding more books that are of interest to the children.</p> <p>Discussed removing the outdoor wooden cribbing that is rotten and breaking away in the spring of next year. Explored some possibilities for additions and enhancements to this outdoor play space.</p>
