<p>General Comments</p> <p>Follow up to renewal inspection completed today. All orders for compliance have been corrected. Discussed current topic interest (airplanes) with school aged educator. There were many improvements noted within this environment with visible documentation in the form of models, creative art and dramatic play materials. The children have been exploring this topic and have constructed their own plane within the room. The educator has extended this learning to promote learning about different places around the world in where the children could travel. The dramatic play area now consists of an airplane, a check in desk and incorporates signage, passports and stamps.</p>
