**General Comments**

A Monitoring Inspection was completed this morning. The preschool children were observed playing dress up, arts and crafts, and playing in the gym - bouncy balls, galloping horse sticks, and crawl through caterpillars. Children's present interests include bugs, and this topic was observed throughout the classroom, in several different ways. Children were excited for their afternoon Bug Hunt! The school age children were observed in their classroom and during outside play. Children were painting at QAM's arrival. Classroom was set up with several different learning invitations. While outside, children swung on the swings and played on the playset.
