General Comments
Public health requirements due to Covid-19 being followed regarding postings, screenings, and documents. Operator reports that children and educators spending majority of day in the outdoor play area. Addition of materials and centres in the outdoor play area include a new weather centre. Children have been tracking weather and recording the amount of rain gathered so far in the month of July. During monitoring inspection educators observed to be very engaged and attentive to the children. Painting completed during the closure in the indoor and outdoor environments looks great and enhances the environments.
