General Comments

- Visit to the after-school program for a follow-up inspection
- Ratio was respected during the visit
- Employee's files have all the required documents
- First Aid certificate has been obtained for all staff members
- The establishment now offers a larger variety of material that is stored in a way that is accessible to all children
- Children now have access to lockers to store their belongings

Observations: When arriving at the center children were into a project, they were given a blank paper and ask to draw something they like, they were all into it. Once their drawing over, they were planning on going outside.
