<p>General Comments</p> <ul style="list-style-type: none"> -Late afternoon visit to the establishment for an unexpected monitoring inspection -Ratio was respected during the visit -No medications is given at the center, there is no acetaminophen on site -Indoor environment provides for children a space that is safe and clean. The material is varied and in sufficient quantity for all children present, easily accessible on low, open shelves. -Children's files have all required information and consent forms are in order -Guidance of children is done in a positive and respectful way <p>Observations: When arriving at the center children were getting ready to go outside. They played outside until they went home.</p>
