General Comments
<p>Visit to facility to complete renewal inspection. The ratio was respected at time of visit. Children arrived and washed their hands. A snack of gingerbread cookies and apple was offered to children. Once finished children got dressed and proceed outside.</p> <p>The daycare is located within the Parkwood Height Elementary and uses the school's outdoor playground. A discussion was had with the educators in regard to their responsibility to ensure that the playground is always safe when they are using it. They must notify the school if any concerns arise regarding the playground.</p>
