### General Comments

- Morning visit to the center for an unexpected monitoring inspection
- Ratio was respected during the visit
- Children's guidance is done in a respectful and positive way
- Changing table was moved in the infant's room, new location meets all standards
- In all rooms were diaper changing station is found, individual space is provided for diapers and changing necessities. The changing table is equipped with a safety strap and covered with a non-absorbent layer, it is separated from the food preparation and is located one meter or less from a sink and children are always supervised during diaper changing.
- New staff are registered for their 90hours
- Outdoor play area has at least 10% shade and is maintained safe and free of hazard
- Outdoor play area consists of more than one surface to permit different types of play
- Outdoor material is varied and in sufficient quantity for all children present
- Activities are purposefully planned and materials are set out according to the children's interest.
- Children and staff daily attendance are maintained on site
- Monthly evacuation fire drills are completed
- In all rooms, evidence of purposeful planning based on children's interest and learning, webbing, invitation, photos and learning stories were posted.

Observations: When arriving at the center children were all getting ready to go play outside, when coming back in some group sang songs and danced, others painted with dandelions, while others were reading books and exploring with sensory bins. All kids washed their hands and got ready for lunch; the youngest ones transitioned into nap time.
