<p><b>General Comments</b></p> <p>Monitoring report performed.</p> <ul style="list-style-type: none"> <li>*Administrative records were reviewed and educators are tracking children's attendance</li> <li>*Incident reports are being tracked and stored in chronological order in the office.</li> <li>*Most staff have the 1 year ECE certificate and those that do not can be placed on a waitlist for the 90 hr orientation and/or intro to ECE. Contact Elizabeth.Harvey@gnb.ca to have employees placed on the waitlist for those staff that do not have a 1 year certificate in ECE. This is a requirement for meeting the regulation on and after July 2020.</li> <li>*Tuesdays is Music morning. Children really enjoyed participating in the activity.</li> <li>*Cleaning of soft furnishings should be added to the cleaning schedule. Cleaning schedules should be stored as it is difficult to verify as the form is erased weekly.</li> <li>*I like the programming form the educators use to document learning activities. Please ensure all educators post current programming in their classroom and also to store programming in a binder when it has been taken down so departmental personnel can review .</li> <li>*Children were also observed getting ready for outdoor play.</li> </ul>
