General Comments
<p>Renewal Inspection:</p> <p>Children were observed in both inside and outside play today during the inspection. The learning environments in each room have the children's art as well as learning stories displayed depicting the children's past activities.</p> <p>Regulation 11 (c) (ii) A plan is to be made and submitted as to how the facility will meet this regulation.</p> <p>The learning environments facilities are bright, cheerful and welcoming and the children appeared happy and content in their environments. Educators observed speaking appropriately to the children and engaged in their interactions and learning.</p> <p>Morning COVID-19 screening was observed and it appeared that the parents and children have adapted to this process very well. Educator and Administrator were observed welcoming each family member individually as they arrived to the facility.</p>
