<p>General Comments</p> <p>Monitoring Inspection:</p> <p>Children and educators engaged in a variety of activities throughout the Early Learning Centre this morning. Evidence of children's learning and experiences are documented within each learning environment and in their portfolios. Materials have been added to each environment that support the current interests (snow, ice, dinosaurs, vehicles, babies and balls).</p> <p>It was observed that the children in the Preschool Room were required to sit at the table and paint all at the same time. Painting to be accessible at an easel or on a table to allow children to have free choice in their creative experiences.</p> <p>Discussed adding a variety of paper in colours, textures and sizes to each art area. Half size pieces were observed in each room. Full size plain white paper to be included.</p> <p>Hand washing routines observed.</p>
