Comments: Deficiency is now compliant	32(1)(a)	Apr 08, 2022	May 18, 2022

General Comments

A follow up to the renewal inspection was conducted today and all outstanding orders for compliance are completed. The facility is recommended for license renewal.

Discussed with school-age educator and on-site administrator to ensure that the creative art materials are replenished as needed to ensure the children have the materials available whenever they wish make art creations.

The children were observed during inside play and getting ready for home at the end of their day. They were observed in a variety of activities throughout the room: hanging with their peers, building and creating with beads and thread.
