General Comments
<p>A renewal inspection occurred today.</p> <p>The children were observed participating in outside activities: art, basketball, playing on the school playground equipment and socializing with their peers. Handwashing was observed occurring several times in all four groups during the inspection.</p> <p>Discussed with Childcare Manager the use of the school playground. Two items need attention from the school and the facility is not permitted to use until fixed. The green tunnel slide is cracked, and the swings require the addition of more of the shredded tire mulch as surfacing is insufficient under them.</p> <p>School-Age Educators were observed, interacting with the children, speaking kindly to the children and redirecting behaviors appropriately.</p> <p>Quality Assurance Monitor, Lisa Green's number to be updated: 506-636-1735.</p> <p>Inspector/Investigator, Jodi Hennessey's number to be updated: 506-654-2745.</p>
