General Comments
<p>A renewal inspection was conducted on May 30, 2022.</p> <p>The children were observed during outside play, snack outside and inside play. Discussed with Childcare Manager the importance of ensuring that the mulch that is accumulating under the platforms on the outside stationary equipment be raked daily to ensure that there is sufficient mulch under the fall zones to protect the children.</p> <p>The children were observed creating art, dramatic play (school) and engaging in conversations with their peers. The educators were observed having respectful and responsive conversations with the children in their care. The children appeared happy and content in their learning environments and with their educators.</p>
