General Comments

A renewal inspection occurred on May 12, 2023.
 The children were observed in both inside and outside play. The children have a wide variety of age-appropriate materials available for them to interact and engage with. Children were observed helping the educator set up the room, as they children do not have access to the room until the end of the school day.
 Educators were observed having positive interactions and conversations with the children in their care. Proper handwashing routines was also observed during inspection.
