General Comments
<p>A monitoring inspection was conducted today.</p> <p>A balance between indoor and outdoor play occurred during the inspection. In the classroom, children were observed engaged in a variety of activities including creative art, games, and puzzles. Educators were observed to move throughout the play environment, supporting children's play and engaging in conversation.</p> <p>The environment is set up with interest centres and a variety of choice for the children.</p> <p>During transitions, educators supported children with positive language and encouragement.</p>
