General Comments
<ul style="list-style-type: none"> -Visit midmorning to the learning center for an unexpected monitoring inspection -Ratio was respected during the visit -Toxic products and/or cleaning supplies are stored in the operator's home, which is not accessible to children. -The operator has all required documentation into her file. SD checks missing for one of the associate persons, it will be sent out today. -The operator First Aid certificate is expired; operator is actively looking for an instructor -Monthly evacuation and fire is completed -Smoke alarm, smoke detectors and fire extinguisher inspection and maintenance are recorded. -A monthly review and maintenance plan is completed on stationary equipment. -Guidance of the children is done in a positive, respectful, and constructive way. <p>Observations: When arriving children were playing with slime they have just done, once they were done playing with their slime they have gathered for songs, rhymes and two "Pete the cat" stories and went to play outside.</p>
