General Comments

- Mid morning visit to the establishment for an unexpected monitoring inspection
- During the visit ratio was respected in a mixed age group
- Review and explanation of the incident report form. It was discussed with the operator what incident is considered reportable
- Daily incident log is maintained, and signed by the parent
- Outdoor play area consists of more than one surface to permit different types of play
- Outdoor material is varied and in sufficient quantity for all children present
- Outdoor play area is maintained safe
- It was observed during the visit that when in a situation of misunderstanding, children's guidance is done by listening to both parties, open end questions are asked, and guidance is provided towards problem solving to allow children to find a solution together.
- No Allergies within the center
- Drinking water is provided throughout the day
- Food brought from home is labeled with the child's name and refrigerated or has an ice pack as required
- A monthly review and maintenance plan is completed on all stationary equipment
- Children and staff daily attendance are maintained on site
- Monthly evacuation fire drills are completed

Observations: When arriving at the center children were having snacks, they just came in after a along outside play. After snack they plant their sunflower seeds and then free play. They transitioned to a gathering circle and doing their zoo-phonics, signing songs and reading books.
