Order for Compliance	Regulation	Date to be corrected	Date corrected
21 A licensee shall post the following documents in a clearly visible and prominent place in the facility associated with the licence: (a) the licence; (b) a report provided under section 23; (c) an order issued under section 28; and (d) a probationary license issued under section 29.	21(a) – (d)	Jan 17, 2023	Jan 17, 2023
Comments: The previous inspection report for this license was not posted in the facility. The administrator ensured to post the previous inspection report in the entrance board. Deficiency is now compliant.			
24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (f) daily attendance records of the children on forms provided by the Minister.	24(1)(f)	Jan 17, 2023	
Comments: The reason of absence is not always documented on the daily attendance sheet. The Daily attendance records must be complete, showing all absences and detailing the reason.			
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	Jan 17, 2023	Jan 17, 2023
Comments: Toxic products, chemical products and cleaning supplies are stored in the kitchen area. The kitchen door was open and not locked. The administrator closed and locked the door. Inspector asked administrator to send out a reminder to staff to ensure that the door is always closed and locked. Deficiency is now compliant.			

General Comments
Visit to the facility this afternoon to complete the renewal inspection.
Inspector discussed with the administrator regarding the children's daily attendance sheets that should remain with educators instead of in the facility entrance in order to ensure that educators know how many children they have with them at all times and do frequent head counts.
