Order for Compliance	Regulation	Date to be corrected	Date corrected
50(2) The operator of a licensed facility shall inform the parent or guardian of a child involved in an incident on the day the incident takes place and shall ensure that the parent or guardian signs the daily log to confirm their awareness.	50(2)	Sep 25, 2024	Nov 26, 2024
Comments: During the follow-up inspection, the Quality Assurance observed that parents are advised and signs the daily incident logs. Deficiency is now compliant			
9(5) The number of children grouped at a full-time or part-time early learning and childcare centre shall not be more than the number that requires two educators.	9(5)	Nov 27, 2024	
Comments: During the follow-up inspection, the Quality Assurance Monitor observed 2 group mixed together. A total of 35 children were mixed. The group required 3 educators. The maximum number of children in a group cannot exceed the requirement of 2 educators. The Quality Assurance Monitor requires a plan to be put in action to comply to this regulation. The Quality Assurance Monitor will return at a later date.			

General Comments
The Quality Assurance Monitor is on site for a follow-up inspection. During the visit, the Quality Assurance Monitor, the Inspector and the administrator had a discussion regarding the outdoor play area. The operator must ensure that children have a designated outdoor play area that is compliant to the Early Childhood Services Act and regulation. The administrator presented her plan to the inspectors. This plan must be put in action immediately. The inspector and the Quality Assurance Monitor will be conducting a visit together to ensure that the new plan is respected.
