General Comments
<p>The center is clean and bright, and the programming is well planned and with many developmentally appropriate activities and materials readily available to the children.</p> <p>Licensing staff observed positive child guidance during the visit, such as gentle reminders, encouragement, setting clear boundaries, and time reminders. The educators are responsive to the children's needs, and were continuously engaged with the children through songs, reading, talking, listening and play.</p> <p>All documentation was available for review in an organized and complete fashion.</p> <p>Licensing staff can recommend facility for licensing.</p>
