General Comments

Monitoring Inspection--COVID 19 Recovery Phase

Discussed ensuring the group log is completed daily with mid-day temperature checks. Also the a visitor log to be kept with visitors name, date of visit, questionnaire answered, temperature check and time of visit.

Discussed continuance of license with operator if renewal is not completed prior to license expiration.

Parents who are dropping off/picking up their children do not enter the home but go around to the side where the ELC Home has a designated as their learning environment.

An abundance of toys and materials are available for the children to interact and engage with both inside and outside and children were observed in both inside and outside play during inspection.
