General Comments
<p>A renewal inspection was conducted on September, 9, 2021. Children were observed during snack and play. One child was sleeping upon arrival of licensing to ELC Home.</p> <p>The children have a wide variety of materials to interact and engage with both in the inside and outside learning environments.</p> <p>The educator was observed speaking kindly and respectfully to the children, engaged with them in conversations and learning. The children appeared happy and content in their environment and with their educator.</p>
