Comments:			

General Comments

- Visit done at the establishment in the afternoon for a monitoring inspection.
- The ratio was respected during the visit.
- A clearly visible and prominent place is available in the facility to post all pertinent information.
- Child files are complete.
- The consent forms are added to the child's file with the parent or guardian signature.
- Administration records are maintained on site.
- A daily incident log is maintained.
- Parents of children present at the centre are granted entry at any time.
- Medication is locked and stored out of reach of the children.
- Observations:
Infant room: lunch, handwashing, and naptime.
2-year-old room: naptime
3-year-old room: quiet play and naptime
4-year-old room: free play and naptime.
- In all rooms learning stories, constellations and pictures are posted.
- Discussions with the operator and educators on medication, monthly emergency fire drills and professional development.
