Order for Compliance	Regulation	Date to be corrected	Date corrected
27 An operator of a licensed facility shall obtain the written consent of a parent or guardian of a child receiving services at the licensed facility before doing any of the following: (f) permitting the child to participate in an outing.	27(f)	Oct 18, 2023	
Comments: A discussion was had with the administrator. Administrator indicated that the forms for outings are only kept for about a week after the outing is done. Administrator must ensure that consents for outings are kept in the children's records.			
27 An operator of a licensed facility shall obtain the written consent of a parent or guardian of a child receiving services at the licensed facility before doing any of the following: (g) transporting or providing for the transportation of the child.	27(g)	Nov 08, 2023	
Comments: 3 out of 8 audited children file were missing the consent to provide transportation from the school to the facility. Recommendation that the administrator verify every file to make sure they are all up to date.			

**General Comments**

During the renewal inspection, the inspector observed indoor free play, the snack period as well as the children transitioning to go outside. Inspector observed the children participating in a show and tell, the children appeared to be engaged in this activity. Inspector observed that the children were able to freely choose their activities. Inspector observed positive interactions between the educators and the children, such as setting reasonable limits that make sense to the children, as well as getting on their level to interact with them.

The ratio was respected at all time during the renewal inspection.
