<p><b>General Comments</b></p> <p>Monitoring inspection -- COVID-19 Recovery Phase. The process for screening is well established and required forms are being used. Reminder for staff to ensure they are signing off on cleaning schedules as cleaning is completed. Parents are entering the building for drop off and pick up. Ensure that staff are confirming with parents that they have completed the self-screening at the door and take their temperature.</p> <p>The children were observed to enjoy play with their peers in their "bubble" groups both inside and outside. Current documentation for each group is posted in the hallway upon entering the facility for parents and their children to see.</p>
