General Comments

A Monitoring Inspection was completed this morning. Today was day two of the summer program. Children were observed during inside play and snack time. Children were observed washing their hands before their snack. Children were served toast with butter, and milk and or water. Children were observed playing a board game with one of their educators. A group of children were observed sitting together at an Arts & Crafts table. Children were also observed making friendship bracelets, reading books, and playing basketball. Educators were engaged with the children, sitting, talking, and assisting them when needed.
