<p>General Comments</p> <p>A follow up to the renewal inspection was conducted today. All outstanding orders for compliance were completed and the facility is recommended for license renewal.</p> <p>The loft in the preschool/school-age room has been repainted to a bright blue adding a pop of color to the room. The educators indicated they are also thinking about repainting the cubbies the same color. This change brightens the room. The educators were observed down at the children's level in learning and play. The children appeared happy and content in their learning environment and with their educators.</p>
