General Comments
<p>Renewal Inspection:</p> <p>A variety of invitations were set up for the children when they arrived from school today. Educators have added opportunities for literacy throughout the environment.</p> <p>Educator was observed reading <i>The Darkest Night</i> by Chris Hadfield; that a child had brought in. The children seemed to be very interested in him and his career. The educator noticed the children's interest and quickly expanded on this with a video of Chris Hadfield in space. Where will you go next with this interest? What materials can you add to the environment?</p> <p>Many positive interactions and greetings were observed today. Hand washing routines were observed and healthy snack was served.</p> <p>Ensure contact information is added to the visitor log in case contact tracing is needed.</p>
