General Comments

A Monitoring Inspection was completed this morning. Room 14 - Children were observed during free play, handwashing, and snack. Children were observed playing at the Tuff Tray, which contained sand & rice, and building towers at the block center. Several forms of documentation were observed. Children are presently learning about the Life Cycle of the Butterfly. Room 15 - Educator stated that the children are presently learning about water activities. Several forms of water related documentation was observed throughout the classroom. Children were observed sitting at a table, designing their very own cardboard life jackets. Others were observed sitting in cardboard boats, playing a fishing game at the Tuff Tray, and playing at the water table. Room 17 - The school aged children were outside, on their way to the PES playground / field.
